Reaper Crew gets: #2 overall pick, #20 overall pick and Kevin Garnett
Cobras get: #16 overall pick, Reaper Crew's 2014 1st and 2nd round rookie picks, \$100 FAAB, and Reaper Crew's 2015 1st round rookie pick (Top 4 protected - if 2015 pick is in top 4, then Cobras receive Reaper Crew's 2016 1st rounder which would be unprotected)

I agree to this trade as there are two players I really want to fill in my team. With the second pick I am guaranteed of getting both players. I also feel that next year, while a deep draft I have just as good a shot of getting a really good player with the 2nd pick this year as I do wherever I may fall next year. I have a young team with 2 holes. 1 at sg, and c, which I believe I can now address. Garnette adds pf depth for me as well.

I apologize for the rambling but its 2 am and I am driving to Nyc

Although a rationale isn't needed for the trade since Travis is beyond the "probationary" new owner period, this is what Travis had sent me this to post (although it appears he already did post a rationale).

I accept as it gives me 4 picks (the 2 1st in this years draft) to fortify the young team I have built. While 2014 is supposed to be a good draft, I prefer to build for now and later and there is no more guarantee that the picks I choose now will be any better then those I choose in 2014. I prefer to take my chances on the top two picks I want this year.

Brandon informed me this was suppose to be for the Legends 2014 1st Rounder which the Legends do not currently own. Brandon asked for the trade to be vetoed due to this.
